SPIEGEL DELIVERY RATES

AND HANDLING CHARGES ON MAILABLE AND UNITED PARCEL SERVICE ORDERS

PLEASE SHOW COMPLETE ADDRESS AND TELEPHONE NUMBER ON YOUR ORDER BLANK.

NO NEED TO FIGURE CHARGES ON CREDIT ORDERS. WE DO IT FOR YOU AND ADD THEM TO YOUR ACCOUNT.

WHAT CAN BE MAILED

Packages weighing up to 70 lbs. and not measuring more than 100 inches in length plus girth can be mailed. There are some exceptions. See Table # 1 for Parcel Post size and weight limitations (you can find your post office class by asking your postmaster). All items are mailable unless otherwise designated in the catalog description.

UNITED PARCEL SERVICE

We now offer direct to your door delivery by United Parcel Service to most areas on many items. These items are clearly identified at the bottom of the merchandise description. For example, items weighing up to 50 lbs. and up to 108 inches length plus girth can now be shipped via United Parcel Service. No need to request this service on order blank.

EXCEPTIONS TO UPS SERVICE

United Parcel Service is not available to residents of Alaska, Hawaii, U.S. possessions or foreign countries or to persons with APO and FPO addresses. All items designated "ship UPS" will be shipped by mail or the most economical method available.

DELIVERY CHARGES ON ORDERS

Table # 2 at right, for mailable and UPS orders, sets forth the delivery charge for each package. Find the state in which you live, in the Table # 2 at right. This will identify the delivery rates that apply for your state. The left-hand column lists a breakdown of shipping weights.

Now, in the left-hand column, find the weight of each item requiring a separate shipping charge (count odd ounces as an additional pound). On the same line, to the right of the weight, find the rate in the column for your state and this is the delivery charge.

SOME ITEMS SHIPPED SEPARATELY

Items with catalog numbers ending with the following letters are shipped in separate packages: D T Y.

Figure the delivery charges separately for the weight of each package. Due to the size restrictions, items with catalog numbers ending in FT or KT are assessed a 25 lb. rate, but this is still cheaper than freight.

DELIVERY CHARGES ON OUTFITS

In order to save you expensive truck charges, some outfits are shipped in two or more packages. The merchandise description indicates the number of packages in the outfit.

To find the delivery charges on the outfit first determine the charge for the total weight shown for your zone. Then add 85¢ for each package over one. For example, if your outfit is shipped in two packages, add 85¢. If it's shipped in three packages, add \$1.70, etc.

Please do not be concerned if your complete order does not arrive on the same day. Your other packages will arrive in a day or two.

\$1 HANDLING CHARGE

No matter how many items in your order or how many packages your order may require, or whether some items are mailable and others are shipped by truck or UPS, there is a single handling charge of \$1 per order.

CASH ORDERS

Please send enough to cover delivery and handling charges and sales tax if any. We will refund if you send too much. Send personal check or money order. We do not accept stamps. Please do not send coins or paper money.

APO/FPO MAILABLE ITEMS

"SAM" or "PAL" for Deliveries Outside the U.S. "SAM" (Space Available Mail) parcels addressed to Armed Forces overseas weighing up to 15 lbs. and not exceeding 60 inches length and girth combined will be airfreighted to, from or between overseas military post offices outside the U.S. at no cost over the applicable domestic Delivery & Handling Charges. "PAL" (Parcel Air Lift) parcels weighing over 15 lbs. but not exceeding 30 lbs. and not exceeding 60 total inches will be airfreighted between military post offices outside the U.S. "PAL" parcels require a \$1.00 charge in addition to applicable, domestic Delivery & Handling Charges.

Items stating "shipped by truck" cannot be shipped to APO-FPO address.

TRUCK ORDERS—Items too large or heavy for Parcel Post or United Parcel Service. If you have a Spiegel Account we will prepay and include in your account. For CASH ORDERS see big catalog for rate information. Customers in Alaska and Hawaii see big catalog for special notes on truck shipments. Items cannot be shipped by truck to U.S. territories or possessions.

HOW TO MEASURE GLOVES

Measure right hand, holding it flat with tape measure around knuckles. Do not include thumb. Draw tape firm, but not tight. Number of inches is your correct glove size. If your hand measures between sizes listed, order the next larger size.

HOW TO FIND YOUR RING SIZE

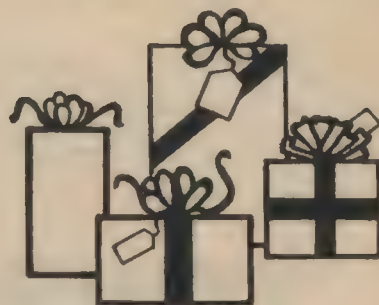

Wrap a piece of paper or adhesive tape ¼ in. wide fairly snugly over knuckle. Mark where it overlaps, cut ends to meet exactly. Lay paper or tape on chart at right, with one end at "A". The number at other end is correct ring size. If end is between sizes, order next larger. IF YOU PREFER, write to Spiegel for a size chart or use "ring sizer" at nearest Spiegel Catalog Order Store/Desk.

We reserve the right to accept or decline any application—to restrict or limit any order or to terminate any account in accordance with our credit standards. Credit orders must be for \$10 or more.

TO ADD ON AN ORDER

If you are now paying on a Spiegel Account, you can order again and again, without doubling up on monthly payments. Your monthly statement shows how much you can add-on to your account. Simply add the amount of your new order to your present balance and figure your monthly payment on the total. If you send a payment with your order deduct that amount before figuring your payment.

TO CHARGE YOUR ORDER

Write your order in the usual way and check the Charge Plan on the Order Blank. There is no down payment. If the balance is paid in full within 25 days of statement date, there will be no finance charge. Charge orders must be for \$10 or more.

FINANCE CHARGE

The FINANCE CHARGE is computed by the Average Daily Balance method which is the sum of the amount of actual daily balances each day during the billing cycle divided by the number of days in the billing cycle, calculated at a periodic rate of 1.65% monthly (or a minimum of 50¢ monthly on balances under \$30.30) which is an ANNUAL PERCENTAGE RATE of 19.8%. Payments are credited on the date of receipt and early payments or payments in excess of minimum payment due result in smaller finance charges. There is no FINANCE CHARGE if first statement is paid in full, within 25 days of the statement date. Similarly, if on any subsequent statement your New Balance is paid in full within 25 days of that statement date, there will be no further FINANCE CHARGE.

YOUR PERSONALIZED STATEMENT

We send you a personalized statement each month. This provides an accurate record of all transactions. Purchases, payments, refunds, returns, exchanges as well as insurance premium (if you wish this protection) and finance charges... all are clearly shown to give you an accurate record of your account. Shipping/handling charges as well as tax, if any, are computed for you and included in your account.

TO ORDER FOR CASH

Please send check or money order (no stamps or C.O.D.) to cover cost of merchandise, plus shipping and handling charge and tax, if any. Over payments are refunded.

TO USE YOUR BANK CARD

If you wish, you may charge your order to your BankAmericard or Master Charge Account. Just fill in your name, address, account number, card expiration date and sign where indicated—no questions to answer. Credit orders must be for \$10 or more.
